Amy Weinberg

CHANCES COWICHAN: The Cowichan Bay Maritime Centre is grateful for the support from CHANCES COWICHAN. The funds are crucial to our ongoing work.

Important Information

Due to the demands of our upcoming boat festival and other projects, the crab dinner which was slated for July 13th, will be re-scheduled for August this summer.

The Boat Festival, however, is still scheduled for July 28th.

Now that summer appears to be here at last, there is an opportunity to get out and enjoy a few rays while helping with the boat festival. Volunteers are needed to show off our flagship, the Halcyon II, on that day. It will have had a good sprucing up the weekend before by the maintenance team. More volunteers are needed to help at the centre so please contact Suzan by phone: 250-746-4955 or by email: cwbs@classicboats.org

Please note that there will be a salmon BBQ on that day starting at 6pm. Tickets are on sale now at \$15.00 per person.

Beer and wine will be on sale. Act now or you may miss out!

November Annual General Meeting

As we look ahead, we would like to remind members that we will be looking for a few directors to replace those who have completed their two year term and also a new President. Two year terms do seem to come and go pretty quickly and this is not too early to think about the possibility of running for a position. If you have some drive, a desire to get involved and to build on the accomplishments of the last year, contact Suzan at the office .

Want Ads

WANTED

A small boat (canoe or dinghy) for two boys to use in a creek.

The boys are six and eight years old. They will be visiting me for the month of July and if anyone has one they would loan me (or rent?) that would be great.

Weekly Puzzle

Your Clues:

1. When the Qualicum is black on the Western horizon, take cover!
2. Opted out of power again this year.
3. No regular car ferries to this island.
4. Home base to a successful fishing company.
(See puzzle answer in Editor's Section)

Woodworking Course

seven sessions from 9:00 - noon. (Except for September 1st)

There is a minimum of 6 and a maximum of 8 students per class. The small class size offers the students one-on-one instruction from the instructor Tim Doyle.

Students will learn how to safely use the woodworking equipment such as the table saw, router, planer and jointer.
